

## American Performance, German Precision

### About Us

BLG Logistics, Inc. is the American subsidiary of BLG Logistics Group. We combine international logistics expertise with deep local knowledge to deliver smart, scalable solutions tailored to our customers' needs.

Operating across key locations in the United States, our services span contract logistics, warehousing, distribution, transportation, and value-added services—specializing in automotive, industrial, retail, and defense sectors.

Whether it's optimizing just-in-sequence delivery, managing complex supply chains, or providing custom warehousing solutions, our team is committed to excellence, innovation, and continuous improvement.
